
JOHANNES M. BAUER

August 2018

I. CURRENT POSITIONS

- 2016-present Quello Chair in Media and Information Policy and Director, James H. and Mary B. Quello Center, Michigan State University
- 2013-present Professor and Chairperson, Department of Media and Information, Michigan State University

II. PERSONAL INFORMATION

- Work address: Department of Media and Information
404 Wilson Road, Room 409
College of Communication Arts and Sciences
Michigan State University
East Lansing, Michigan 48824-1121, USA
Phone: +1.517.355.8372, Fax: +1.517.355.1292, E-mail: bauerj@msu.edu
Internet: <http://www.msu.edu/~bauerj>
- Home address: 510 Kedzie Street, East Lansing, Michigan 48823, USA
- Personal: Dual citizenship: American, Austrian

III. EDUCATION

- 1989 Ph.D. in Economics, University of Economics, Vienna, Austria (summa cum laude)
- 1982 M.A. in Economics, University of Economics, Vienna, Austria (summa cum laude)
- 1975 Engineer in Precision Mechanics, Federal Secondary College of Engineering, Mödling, Austria (summa cum laude)

IV. PROFESSIONAL EXPERIENCE

- 2015 Interim Chairperson, Department of Communicative Sciences and Disorders, Michigan State University (January through August)
- 2012 Visiting Professor, Institute of Media and Communications Research (IPMZ), University of Zurich, Switzerland
- 2010 Visiting Professor, Department of Political Science, University of Konstanz, Germany (June-July)
- 2005-2009 Co-Director, Quello Center for Telecommunication Management and Law, Michigan State University
- 2003-2009 Professor, Department of Telecommunication, Michigan State University
- 2003-2005 Executive Director, Quello Center for Telecommunication Management and Law
- 2001-2003 Associate Director, Quello Center for Telecommunications Management and Law
- 2002 Visiting Professor, University of International Business and Economics, Beijing, China (May)
- 1998-2003 Research Associate, Institute of Public Utilities, Michigan State University

| | |
|-----------|--|
| 1994-2003 | Associate Professor, Department of Telecommunication, Michigan State University |
| 2000-2001 | Visiting Professor, Faculty of Technology, Policy and Management, Delft University of Technology, Delft, the Netherlands |
| 1997-2000 | Director of Graduate Studies, Department of Telecommunication, Michigan State University |
| 1993-1998 | Director, Institute of Public Utilities, Eli Broad Graduate School of Management, Michigan State University |
| 1990-1994 | Assistant Professor, Department of Telecommunication, Michigan State University |
| 1985-1990 | Lecturer in Economics, University of Economics and Business Administration, Vienna, Austria |
| 1982-1984 | Research Assistant, Department of Economic Theory, University of Economics and Business Administration, Vienna, Austria |
| 1980-1981 | Social worker, Austrian Red Cross, Schwechat, Austria |
| 1978-1979 | Freelance researcher, Institute for Social Design, Vienna, Austria |

V. HONORARY POSITIONS AND HONORS

| | |
|--------------|---|
| 2016-present | Member of the Board of Directors and Executive Committee, iSchools |
| 2012-present | Fellow, Columbia Institute for Tele-Information, Columbia University, New York |
| 2010-present | International Editor, <i>International Telecommunications Policy Review</i> |
| 2009-present | Member, International Scientific Advisory Board, LIRNEasia, Colombo, Sri Lanka |
| 2004-present | Member, Editorial Board, <i>Information Economics and Policy</i> |
| 2003-present | Senior Fellow, Institute of Public Utilities |
| 2013 | Distinguished Faculty Award, Michigan State University |
| 2010-2016 | Associate Editor, <i>Telecommunications Policy</i> |
| 2010-2013 | Chairman of the Board, Research Conference on Communications, Information and Internet Policy (TPRC) |
| 2009-2017 | Member of the Board, Research Conference on Communications, Information and Internet Policy (TPRC) |
| 2009-2016 | Research Associate, Quello Center, Michigan State University |
| 2009-2011 | Member, Scientific Committee, European Communications Policy Research Conference (EuroCPR) |
| 2007-2012 | Member, Editorial Board, <i>Communications & Strategies</i> |
| 2005-2016 | Member of the Executive Board, International Telecommunications Society (ITS) |
| 2005-2010 | Book editor, <i>Journal of Media Economics</i> |
| 2003-2010 | Member, International Scientific Advisory Board, Next-Generation Infrastructures Program, Delft University of Technology, Delft, the Netherlands |
| 2007-2008 | CIC Academic Leadership Program Fellow |
| 1998-2003 | Member, International Scientific Advisory Board, Interfaculty Center Design and Management of Infrastructures, Delft University of Technology, Delft, the Netherlands |
| 2001-2005 | Member, Executive Committee, Transportation and Public Utilities Group, American Economic Association |
| 2000-2001 | Chairman, Transportation and Public Utilities Group, American Economic Association |

| | |
|-----------|---|
| 1999-2000 | Chairman Elect, Transportation and Public Utilities Group, American Economic Association |
| 1995-1997 | Member, Board of Directors, National Regulatory Research Institute, Ohio State University, Columbus, Ohio |

147. Bauer, Johannes M. (1999) Review of “The liberalisation of telecommunications in Sweden: technology and regime change from the 1960s to 1993” by Magnus Karlsson, *Technology and Culture* **40**, October 1999, pp. 926-927.

VII. PRESENTATIONS AT ACADEMIC CONFERENCES AND PROFESSIONAL MEETINGS

A. Academic conferences

1. Bauer, Johannes M. (2017), “Innovation in advanced communication systems”, 8th CAIDA-MIT Workshop on the Economics of the Internet, San Diego, CA, December 13-14, 2017.
2. Bauer, Johannes M. (2017), “Regulation and digital innovation”, 50th Freiburg Seminar on Network Economics, July 10-11, 2017, Freiburg im Breisgau, Germany.
3. Bauer, Johannes M. (2016), “The Internet and inequality: socio-economic challenges of the hyperconnected society”, Biennial Conference of the International Telecommunications Society (ITS), Taipei, Taiwan, June 26-29, 2016.
4. García-Murillo, Martha, MacInnes, Ian, Bauer, Johannes M., & Hong, Soo Jeong (2016), “Individual to individual services and the future of work”, Biennial Conference of the International Telecommunications Society (ITS), Taipei, Taiwan, June 26-29, 2016.
5. Bauer, Johannes M. & Tsai, Sandy Hsin-yi (2015), “A framework for designing mobile broadband policy”, Regional Conference of the International Telecommunications Society, Los Angeles, December 13-15, 2015.
6. Tsai, Sandy & Bauer, Johannes M., “Designing workable mobile broadband policies: theory and evidence”, Regional Conference of the International Telecommunications Society, Los Angeles, October 25-28, 2015.

7. Bauer, Johannes M. & Knieps, Günter, “Innovational complementarities and network neutrality”, 43rd Conference for Communication, Information and Internet Policy (TPRC43), Arlington, VA, September 24-27, 2015.
8. García-Murillo, Martha, MacInnes, Ian, & Bauer, Johannes M., “Techno-unemployment”, 43rd Conference for Communication, Information and Internet Policy (TPRC43), Arlington, VA, September 24-27, 2015.
9. Bauer, Johannes M., “The Internet and inequality”, Society for the Advancement of Socio-Economics, London, July 2-4, 2015.
10. García-Murillo, Martha, MacInnes, Ian, & Bauer, Johannes M., “Effects of ICTs on employment: A conceptual framework”, 26th European Regional ITS Conference, San Lorenzo de el Escorial, Spain, June 24-27, 2015
11. Tsai, Hsin-yi Sandi, & Bauer, Johannes M., “Drivers of fixed and mobile broadband infrastructure adoption and quality”, 20th Biennial Conference of the International Telecommunications Society, Rio de Janeiro, Brazil, November 30-December 3, 2014.
12. Tsai, Hsin-yi Sandi, & Bauer, Johannes M., “Effects of public policy on fixed and mobile broadband infrastructure quality, 42nd Research Conference on Communication, Information and Internet Policy (TPRC), Arlington, VA, September 12-14, 2014.
13. Bauer, Johannes M., & Tsai, Hsin-yi, “An examination of the factors enhancing information infrastructure quality,” CPR LATAM, Bogotá, Colombia, May 29-30, 2014.
14. Tsai, Hsin-yi Sandi, & Bauer, Johannes M., “Effects of public policy on the quality of broadband services: A comparative analysis of Internet download speeds,” Conference of the International Communications Association (ICA), Seattle, WA, May 22-25, 2014.
15. Bauer, Johannes M., Schneider, Yves, & Zenhäusern, Patrick, "Impact of sector-specific regulation on ICT infrastructure quality," 24th European Regional Conference of the International Telecommunication Society (ITS), Florence, Italy, October 23-25, 2013.
16. Bauer, Johannes M., "The Evolution of the European Regulatory Framework for Electronic Communications," CEPAL-IBEI Conference on Innovation and Regulation in Telecommunications: A Comparative Perspective on Europe and Latin America, Barcelona, Spain, September 30-October 1, 2013.
17. Asghari, Hadi, Eeten, Michel, Bauer, Johannes M., & Mueller, Milton L., "Deep packet inspection: effects of regulation on its deployment by Internet providers," 41st Research conference on Communication, Information and Internet Policy (TPRC), Arlington, VA, September 27-29, 2013, available at SSRN <http://ssrn.com/abstract=2242463>.
18. Brooks, Brandon, LaRose, Robert, Ma, Wenjuan, Tsai, Hsin-yi Sandy, Bauer, Johannes M., Wildman, Steven, & Steinfield, Charles, "Impacts of the Broadband Technology Opportunity program in Michigan urban communities," 41st Research conference on Communication, Information and Internet Policy (TPRC), Arlington, VA, September 27-29, 2013.
19. LaRose, Robert, Brooks, Brandon, Ma, Wenjuan, Tsai, Hsin-yi Sandy, Bauer, Johannes M., Wildman, Steve, Steinfield, Charles, The adoption of broadband in the inner city, Expert Workshop on Theory of Broadband, New York, Columbia University, May 31-June 1, 2013.
20. Bauer, Johannes, M., Internet-based innovation: dynamics of a socio-technical system, London School of Economics, LSE Network Economy Conference, May 13, 2013.
21. Bauer, Johannes M. “Designing regulation to support innovation: experiences and future challenges”, Keynote address, Fifth Annual Conference on Competition and Regulation in Network Industries, Brussels, November 30, 2012.
22. Bauer, Johannes M. “Regulation, competition, and innovation”, Keynote address, 19th Biennial Conference of the International Telecommunications Society, Bangkok, Thailand, November 18-21, 2012.
23. Bauer, Johannes M., Rupp, Matthew, Koning, Kendall, Goodman, Erik D., DeMaagd, Kurt, Chattopadhyay, Tithi, & Friederici, Nicolas, “Promoting innovation in advanced communications: an evolutionary approach”, 19th Biennial Conference of the International Telecommunications Society, Bangkok, Thailand, November 18-21, 2012.

24. Bauer, Johannes M. and Shim, Woohyun, Effects of regulation on innovation in the information and communication sector,” presented at the 40th Research Conference on Information, Communications, and Internet Policy, Arlington, VA, September 21-24, 2012.
25. Bauer, Johannes M., “Innovation in the ICT ecosystem,” Keynote address, 23rd European Regional Conference of the International Telecommunications Society, Vienna, Austria, July 1-4, 2012.
26. Bauer, Johannes M. and Shim, Woohyun, “Regulation and digital innovation,” 23rd European Regional Conference of the International Telecommunications Society, Vienna, Austria, July 1-4, 2012.
27. Tabatabaie, Shirin, van Eeten, Michel, Bauer, Johannes M. & Asghari, Hadi, “Has the securitization of the cyberspace been effective?” Biennial Conference of the European Consortium for Political Research (ECPR), Standing Group on Regulatory Governance, University of Exeter, June 27-29, 2012.
28. Bauer, Johannes M., “Broadband policy in the United States”, KATP-JSICR Joint Symposium, Akita, Japan, June 23-24, 2012.
29. LaRose, Robert, DeMaagd, Kurt, Chew, Han Ei, Tsai, Hsin-yi Sandy, Steinfield, Charles, Wildman, Steven, Bauer, Johannes M., “Broadband adoption in the inner city: revising a classic diffusion paradigm,” Annual Conference of the International Communications Association, Phoenix, AZ, May 24-28, 2012.
30. Bauer, Johannes M., and Shim, Woohyun, “Regulation and innovation in telecommunications,” Florence School of Regulation Scientific Seminar, European University Institute (EUI), Florence, Italy, May 18-19, 2012.
31. Bauer, Johannes M., Obar, Jonathan, and Koh, Taejin, „Reconciling economic and political goals in the internet ecosystem,” presented at the 39th Research Conference on Communication, Information, and Internet Policy, Arlington, VA, September 23-25, 2011.
32. DeMaagd, Kurt, Goodman, Erik, Bauer, Johannes M., Koning, Kendall, Chattopadhyay, Tithi, Friederici, Nicolas, “A complex systems model of industry concentration and broadband infrastructure investment,” presented at the 39th Research Conference on Communication, Information, and Internet Policy, Arlington, VA, September 23-25, 2011.
33. LaRose, Robert, Grubestic, Anthony, Bauer, Johannes M., Ma, Wenjuan, and Tsai, Sandy, „Understanding broadband gaps: predictors of broadband competition and service quality in the United States,” presented at the 39th Research Conference on Communication, Information, and Internet Policy, Arlington, VA, September 23-25, 2011.
34. Bauer, Johannes M., Obar, Jonathan, and Koh, Taejin, „Disentangling economic and political goals in the network neutrality debate,” presented at the European Regional Conference of the International Telecommunication Society (ITS), Budapest, Hungary, September 18-21, 2011.
35. Bauer, Johannes M. and Chattopadhyay, Tithi, “How does regulation affect innovation in advanced communications? A new look at theory and evidence,” paper presented at the 2011 Asia-Pacific Regional Conference International Telecommunications Society, 26-28 June 2011, Taipei, Taiwan.
36. Bauer, Johannes M., DeMaagd, Kurt, Goodman, Erik, Atkins, Sam, Chattopadhyay, Tithi, and Koning, Kendall, Convergence, net neutrality, and innovation: improving governance with computational methods, paper presented at the 2011 Asia-Pacific Regional Conference International Telecommunications Society, 26-28 June 2011, Taipei, Taiwan.
37. Bauer, Johannes M. and Chattopadhyay, Tithi, “Policies in support of innovation in advanced communications a co-evolutionary approach,” Annual Meeting of the American Economic Association, Denver, CO, January 6-9, 2011.
38. Bauer, Johannes M. “Modeling the Internet and its governance as a complex adaptive system”, ESF/COST High-Level Research Conference, Aquafredda di Maratea, Italy, October 2-7, 2010.
39. Bauer, Johannes M., DeMaagd, Kurt, Goodman, Erik, Atkins, Sam, Chattopadhyay, Tithi, and Koning, Kendall, “Using Computer Simulation to Improve ICT Governance”, 38th Conference on Communications, Information, and Internet Policy, Arlington, VA, October 1-3, 2010.
40. Van Eeten, Michel, Bauer, Johannes M., Asghari, Hadi, Tabatabaie, Shirin, and Rand David, “Botnet

- mitigation: the role of internet service providers and public policy”, 38th Conference on Communications, Information, and Internet Policy, Arlington, VA, October 1-3, 2010.
41. Bauer, Johannes M. and Chattopadhyay, Tithi, “Network openness, investment, and diffusion”, 18th Biennial Conference of the International Telecommunications Society, Tokyo, Japan, June 28-30, 2010.
 42. Shim, Woohyun and Bauer, Johannes, “How can organizations improve cybersecurity”, 18th Biennial Conference of the International Telecommunications Society, Tokyo, Japan, June 28-30, 2010.
 43. Bauer, Johannes M. “Metamorphoses of the state”, Conference of the International Communications Association (ICA), Singapore, June 22-26, 2010 (Top Three Paper Award).
 44. Van Eeten, Michel, Bauer, Johannes M., Asghari, Hadi, Tabatabaie, Shirin, and Rand, David, “The role of ISPs in botnet mitigation: an analysis based on spam data”, Workshop on the Economics of Information Security, Harvard University, June 6-8, 2010.
 45. Bauer, Johannes M. “Learning from each other: theoretical and empirical foundations of cross-national benchmarking”, 25th European Communications Research Conference, Brussels, March 28-30, 2010.
 46. Bauer, Johannes M. “Harnessing advanced communications for economic development”, 1st Europe-Middle Eastern-African Conference of the International Telecommunications Society, Kingdom of Bahrain, October 27, 2009.
 47. Bauer, Johannes M. and Coursaris, Constantinos K. “Process and product innovation in advanced communications,” 1st Europe-Middle Eastern-African Conference of the International Telecommunications Society, Kingdom of Bahrain, October 27, 2009.

Additional presentations on issues of communications policy, privatization, institution-building and creation of regulatory frameworks, performance-based regulation, globalization of telecommunication services providers, and the establishment of an international regulatory framework.

Please visit <http://www.msu.edu/~bauerj> for professional presentations prior to 1996.

C. Other public talks

1. Bauer, Johannes M. “Governance der Wissensgesellschaft in den USA und der Europäischen Union”, Faculty Colloquium Political Science, University of Constance, Germany, June 16, 2010.
2. Bauer, Johannes M. “Netzneutralität in den USA und in Europa”, University of Zurich, May 18, 2010.

VIII. TEACHING EXPERIENCE

A. Undergraduate courses

1. *Vienna University of Economics and Business Administration, Vienna, Austria*
 - Microeconomics
 - Macroeconomics
 - National Accounting
2. *Michigan State University, East Lansing, MI, USA*
 - Comparative and International Telecommunications
 - Basic Telecommunication Policy
 - Economics of Telecommunications and Information Industries
 - Global Media
 - Media and Communications Policy
 - Media Economics and Business Strategy
3. *University of Constance, Germany (visiting)*
 - Information and Communications Policy
4. *University of Zurich (visiting)*
 - International and comparative telecommunications

B. Graduate courses

1. *Vienna University of Economics and Business Administration, Vienna, Austria*
 - Microeconomics
 - Macroeconomics
 - Public Utility Regulation
 - Industrial Organization
 - Economics and Politics of Regulation and Deregulation
 - Public Enterprise Economics
 - Public Finance
2. *Michigan State University, East Lansing, MI, USA*

- Telecommunications Policy Analysis
 - Comparative and International Telecommunications
 - Communications Law and Policy
 - The Economics of Information Industries
 - Media and Information Economics
3. *University of International Business and Economics (UIBE), Beijing, China*
- Principles of Information and Communication Policy
4. *University of Constance, Germany (visiting)*
- Governance: Theory, Practice, Experience
 - Seminar in Complexity Theory
5. *University of Zurich, Switzerland (visiting)*
- U.S. Media Policy

C. Continuing education

Numerous lectures on: Information and Communications Policy; Business Models in Advanced Media and Communications Services; Comparative Analysis of Information Policy; Economic and Legal Principles of Regulation; Effects of communications Policy on Investment and Innovation; Alternatives to Traditional Rate Base/Rate-of-Return Regulation, Incentive Regulation, Regulatory Treatment of Foreign Investment, Deregulation as a Policy Strategy.

IX. FUNDED RESEARCH

- | | |
|-----------|---|
| 2013-2014 | Principal investigator, “Telecom technology market model”, funded by a consortium of federal agencies, including The White House Office of Science and Technology Policy, Department of Defense, and National Institute of Standards (NIST) (\$223,105 with an additional supplement of \$42,000) |
| 2010-2012 | Co-principal investigator, “Broadband adoption through education and e-entrepreneurship in Michigan's urban cores”, funded by the U.S. Department of Commerce (\$5,216,094) |
| 2009-2013 | Principal investigator, “Improving governance for next-generation ICT infrastructure,” funded by the U.S. National Science Foundation, Washington, DC (\$698,030) |
| 2008-2010 | Co-principal investigator, “Addressing information security issues of end-users”, with Michel van Eeten, funded by the Organisation for Economic Co-operation and Development (OECD), Paris (\$45,000) |
| 2008-2009 | Co-principal investigator “The State of Information and Communication Infrastructure in Michigan”, with Kurt DeMaagd and Steven S. Wildman, funded by the Institute of Public Policy and Social Science Research (IPPSR) at Michigan State University (\$10,000) |
| 2006-2009 | Co-principal investigator of “The dynamics of complex communication systems,” Trans-Coop Project with Volker Schneider, University of Konstanz, funded by the Alexander von Humboldt Foundation, Germany (\$40,000 to German partner) |
| 2007-2008 | Co-principal investigator “Financial aspects of malware,” with Michel van Eeten, Technical University Delft, the Netherlands, funded by the International Telecommunication Union (ITU), |

| | |
|-----------|--|
| | Geneva, Switzerland (\$25,000) |
| 2006-2008 | Co-principal investigator of “The economics of malware,” with Michel van Eeten, John Groenewegen, and Wolter Lemstra, funded by the Organisation for Economic Co-operation and Development (OECD), Paris and the Dutch Ministry of Economic Affairs (\$25,000) |
| 2003-2004 | Co-principal investigator of “U.S. Telecommunications Policy-Making: Who Participates and Who is Heard: The Role of Research and Ideas”, funded by the Ford Foundation (\$100,000) |
| 2002-2006 | Co-principal investigator of “Achieving innovative and reliable services in unlicensed spectrum,” funded by the U.S. National Science Foundation (collaborative research with Rutgers University and Cornell University) (\$1,450,000) |
| 2001-2002 | Co-investigator of the U.S. segment of a study on the role of business associations on information and communications policy in the G7 countries, funded by the German Science Foundation (\$25,000) |
| 2001 | 200 Co-principal investigator of a project studying benefits and policy challenges of broadband communications, funded by the Michigan Economic Development Corporation and MERIT, (\$59,000) |
| 2000-2002 | Co-investigator of a project on the regional impacts of e-commerce, funded by the City of Vienna, Austria (\$30,000) |
| 2001 | Co-principal investigator of a study on the technical, economic, and regulatory aspects of UMTS wireless infrastructure development, funded by Ben Nederlands (\$60,000) |
| 1998-1999 | Principal investigator of a study on the role of competition in network industries (\$20,000) |
| 1994-1995 | Principal investigator of a study on “Effects of regulatory reform in the U.S. and in Canada”, funded by CRCT, Ottawa, Canada (\$20,000) |
| 1994-1995 | Principal investigator of a study on "State and federal regulatory repercussions of the globalization of network-based industries in energy and telecommunications", funded by MSU All University Research Initiation Grant (\$10,000) |
| 1993-1998 | Multiple grants from the private sector in support of the research and training activities of the Institute of Public Utilities (\$680,000) |
| 1988-1990 | Principal investigator of a study on the deregulation potentials in Austrian professional services industries, funded by the Austrian Ministry of Finance |

X. OUTREACH AND PUBLIC SERVICE

A. Service as referee

1. Journals

Bulletin of Economic Research
 Communications and Convergence Review
 Governance
 Information Economics and Policy
 International Journal of Media Management
 International Review of Administrative Sciences
 International Telecommunications Policy Review
 Journal of Computer-Mediated Communication
 Journal of Economics and Management Strategy
 Journal of Information Policy
 Journal of Information Technology
 Journal of Media Economics
 Palgrave Communications

Policy and Internet
Research Policy
Telecommunications Policy
Telematics & Informatics
The Information Society
Utilities Policy

2. Publishers

Cambridge University Press (US/UK)
Edward Elgar (UK)
Lexington Books (US)
MIT Press (US)
Oxford University Press (US/UK)
Routledge (UK)
Sage (US)

3. Foundations

Economic and Social Research Council (UK)
National Science Foundation (US)
Netherlands Organization for Scientific Research (Netherlands)
Next Generation Infrastructure Foundation (NGInfra, Netherlands)
Social Sciences and Humanities Research Council (Canada)

4. Conferences (selected)

Africa-Asia-Pacific Regional Conferences of the International Telecommunications Society
Biannual Conferences of the International Telecommunications Society (ITS)
Dynamic Spectrum Access (DySPAN) conferences
European Communications Policy Research Conference (EuroCPR)
European Regional Conferences of the International Telecommunications Society (E-ITS)
International Communications Association (ICA)
Research Conferences on Communications, Information and Internet Policy (TPRC)

B. Service on conference committees (selected)

Program Committee, Asia-Africa Regional Conference of the International Telecommunications Society (2010-present)
Program Committee, European Regional Conference of the International Telecommunications Society (2005-present)
Program Committee, Conference of the International Telecommunications Society (2004-present)
Scientific Advisory Committee, European Communications Policy Research Conference (EuroCPR) (2008-present)
Program Committee, Research Conference on Communications, Information and Internet Policy (2006-2008)

C. University citizenship (selected)

Co-Chair, AAHD Restructuring and Re-visioning Task Force, Michigan State University (2017)
Chairperson, College Advisory Committee, College of Communication Arts and Sciences, MSU (2005-2007)
Member, Faculty Council and Academic Council, MSU (2006-2008)
Member, University Committee on Faculty and Tenure (2005-2009)
Member, University Hearing Board (2005-007)
Numerous Department-level Committees

XI. OUTREACH

Engagements as a consultant for public, non-profit and private sector organizations, including The World Bank, the International Telecommunication Union (ITU), the Organisation for Economic Co-operation and Development (OECD), LIRNEasia, the OPTA (Netherlands), the Austrian Ministry of Finance, the US National Telecommunications and Information Administration (NTIA), Canadian Radio-television and Telecommunications Commission (CRTC), Deutsche Telekom Foundation, Telekom Austria, and Ben Nederlands (now T-Mobile).
