Creative Activity

Lochman, J. E., Nelson, W. M., Boxmeyer, C. L., Ewoldsen, D. R., Shwartz, A., Stevens, N., & Myers, K. A. (2007). *Adventures of Captain Judgment*. Cincinnati, OH: LochNels Productions, Inc.

The Adventures of Captain Judgment is a series of 3 to 6 minute animated episodes that were developed to accompany the Coping Power school-based intervention. Each of the original 34 child clips featured a superhero ("Captain Judgment") and a team of five children ("Team Judgment"). The animated videos were designed to teach children to use specific social and emotional skills to address problems they face. In the parent video series, an animated character named Dr. Insight summarizes the key teaching points from each of the 16 Coping Power parent sessions, and introduces clips from recent Coping Power child videos to provide parents an overview of the skills their children are learning. *The Adventures of Captain Judgment* video series earned a Telly Award in 2009.
