### What We Do

We make certain everyone has access to nutritious food, because we can all agree no one should ever go hungry.

### Who We Serve

Everyone at risk, because hunger does not discriminate. Food is a basic need. No one ever plans to be hungry.

### How We Do This

We can only meet this need because of the continuing support of volunteers, donors, agency network and community partners.

### Our Food

GLFB gets food from retailers, USDA, food producers and donations. We provide food from all of the food groups, including: meat & proteins; fresh produce, dairy; and bread, pasta & grains.

### Who We Are
