O*NET ONLINE

O*Net is an occupational information site that gathers data from the Bureau of Labor and Statistics, and has been developed under the US Department of Labor/Employment and Training Administration (USDOL/ETA). This site provides a great deal of information for each listed occupation, such as tasks, education-level, tools used, knowledge, skills, and abilities, and many more. It also links to other websites that provide information concerning average salary by national data, and broken down by state comparison. www.onetonline.org
